

"Let Jesus be your lifesaver"

East Coast Christian Indigenous Youth Network

Sports and Fellowship Camp, Eden 2012

All Praise and all Glory goes to the Great and Loving God who provided, cared and protected our youth while on camp over the last week of the holidays. What was thought to be 150 youth and leaders getting together for sports and fellowship; ended up to be a camp full of fun, fellowship and networking for almost 200 people in total coming from all over Australia;

Held at Jigamy farm on the 2nd of October to the 5th of October 2012, youth, leaders and individuals came to join in on the special 8th anniversary event hosted by Joshua and Jenice Manton.

Our theme, which was "Let Jesus be you lifesaver" fitted perfectly with the location, activities and the sermons brought to us by Pastor Donald Hayward, praise God for his guidance as Pastor Donald spoke.

Surfing lessons, was only one of the many great activities provided over the week, our themed dinner party was the other great and positive activity.

And while, this year's theme was based around the beach and everything surrounding it, the camp did reconnect with its original program

which consisted of the round robin sports day. On the Thursday, all youth wore their colours, sang their war cries then challenged each other in Soccer, Volleyball, Modified Netball and Touch football.

While all the youth did well and deserved to be winners, the trophies made their way home with the selected few youth groups who excelled on the field on the day.

Broken Hill won the netball, while the newest team the South Australian Eagles, won both the Touch football and Soccer, the overall winners who was awarded the Aunty Evvie walker Memorial shield were the well deserving South Coast Jarndas. Praise God for all the teams who came, participated and heard about our Lord Jesus Christ.

This year Jesus blessed the program. Please pray with us that God will continue to both bless and look after the program and its leaders in the many years to come.

looking forward to camp next year, hosted by Mt Druitt.

ADDED SPECIAL THANKS

A special thank you goes to our

Cooks, (Alexandra Naden, Faith Green)

Camp director (Tom Sloane) Speaker

(Donald Hayward), Bus Driver (Greg

Withers), Financial and donation supporters (Auswide, Koorong, Sanity, Gerringong Uniting Church, AJN Oysters) and especially those individuals that helped. God bless you all.
